

*Our purpose as a local church is to glorify God, to equip believers, and to evangelize the lost with the Gospel of Christ.*

We are an independent, fundamental, soul-winning, missions-minded, Bible-believing Baptist church. Our purpose as a local church is to glorify God, to equip believers, and to evangelize the lost with the Gospel of Christ.

We seek to glorify God as individuals and as a church by walking in obedience to His Word as it effects every aspect of our daily lives and church ministry. As a result, our church seeks to be free from worldly elements of philosophy and practice and offers a Christ-honoring worship service which includes soul-stirring, conservative music.

We equip believers for personal growth and ministry through solid Bible preaching and teaching that is true to the Word of God and applicable to the daily life, and use the King James Version in all of our services and ministries.

We evangelize the lost through door-to-door soul-winning, visitation, and special programs and services as we reach out to Hilton Head, Bluffton, and the surrounding communities. Through our missions outreach we touch many parts of the world.

At Bible Baptist Church, we preach the truth in love and are known for our warm, welcoming people.
