A Verse-by-Verse Study of the Book of Philippians

Every believer desires to experience the abundant joy that Jesus Christ promised! Yet, many Christians seem to mistakenly believe that joy "just happens." It's as though they are waiting for some fantastic event to occur that will produce instant joy. God's truth is that joy is a by-product of a right relationship with Jesus Christ. It is not a commodity but rather a character! Joy comes from willingly living within the parameters of God's truth and His promises.

The book of Philippians presents one of the Bible's greatest studies on faithful, joyful Christian living. This thirteen-lesson study will encourage you and equip you to walk with joy through every circumstance and trial of the Christian life. Verse by verse you will rediscover God's plan for growing, transforming, and using your life—in the context of His ever-present joy. In each lesson, you will find that joy is the product of His process and His plan at work in you.
